

GLADES LODGE 2023

NEWSLETTER

In 2023, the service users at Glades Lodge experienced a year brimming with delightful memories. Their days were filled with holidays, birthday celebrations, quality time spent with their families, and a multitude of engaging activities facilitated by our dedicated and supportive staff.

One of the highlights of the year was the carefully planned holidays at Center Parcs that brought immense joy to the service users.

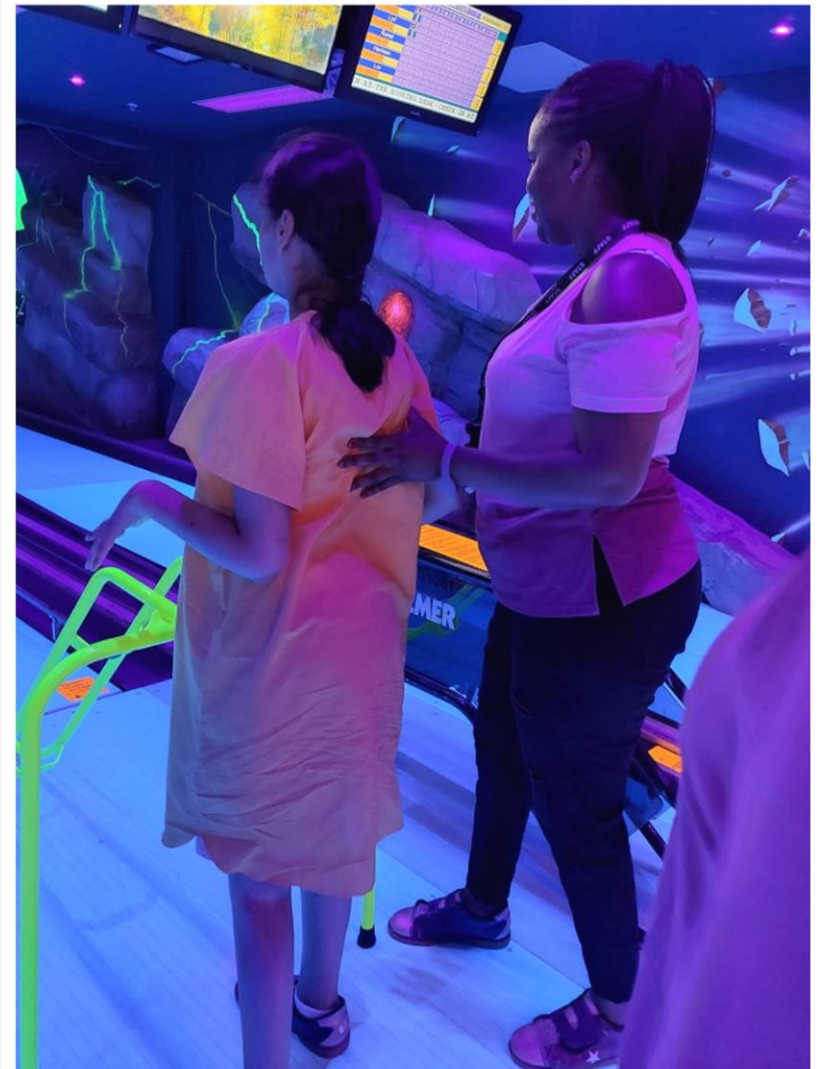

Amy, with her infectious laughter, embraced the excitement of the vacation.

The GL staff worked diligently to create an environment that catered to Jamie's, Megan's and Nepun's sensory needs, enabling them to explore new surroundings comfortably.

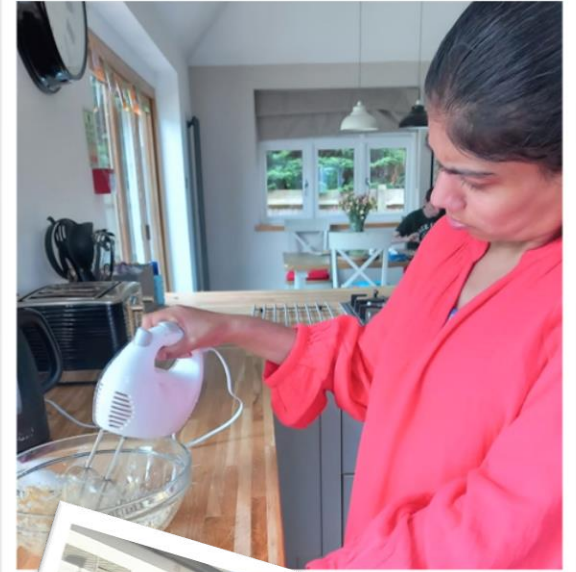

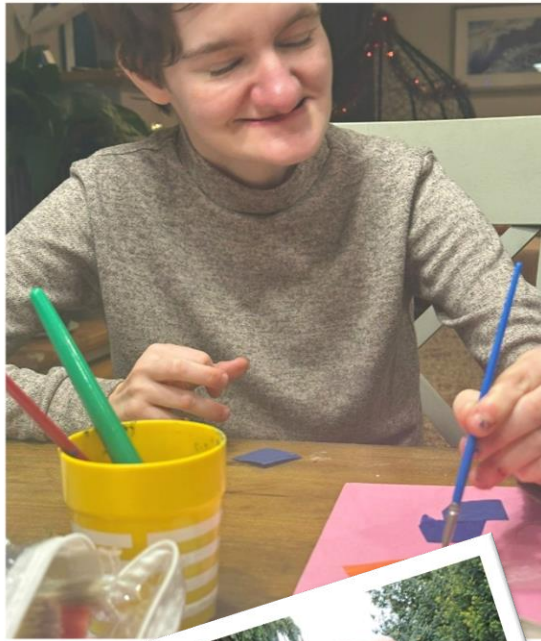

Birthdays were celebrated with gusto, turning each milestone into a cherished memory. The staff at Glades Lodge organized parties, complete with decorations, music, and the favourite treats of the service users.

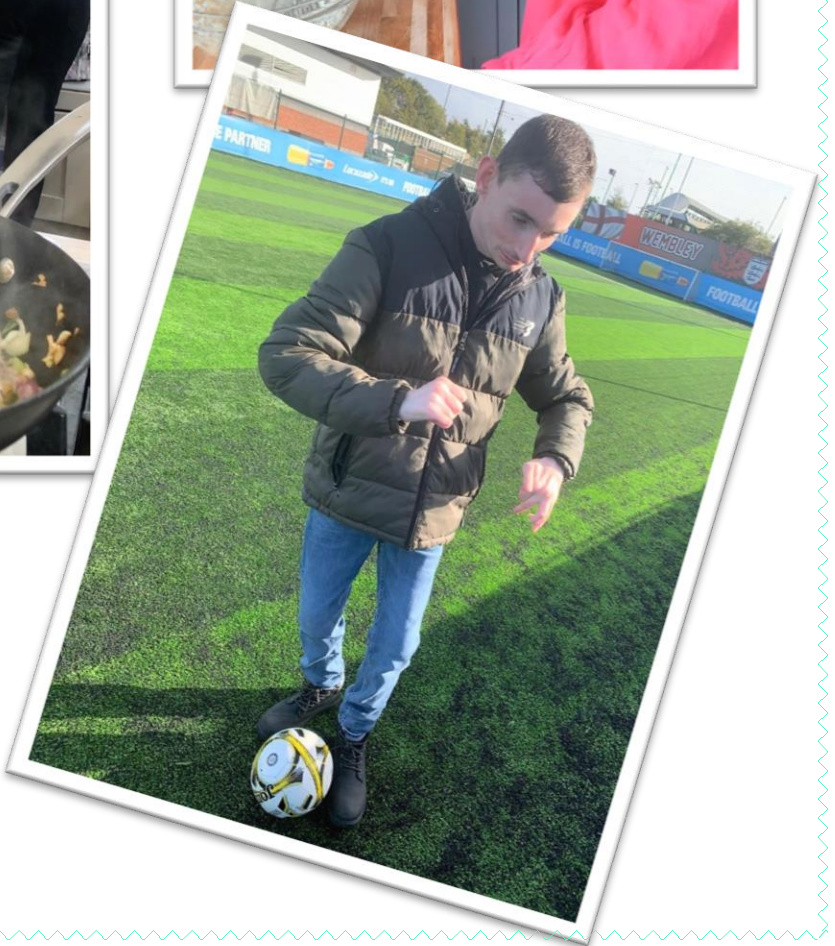

Families played an integral role in the lives of the service users. Regular family visits were encouraged, providing an opportunity for shared experiences. Whether it was a weekend at home, a day trip, or a simple gathering, the presence of family members brought comfort and familiarity to the service users, fostering a sense of belonging.

The staff at Glades Lodge continuously strived to create a diverse range of activities tailored to the individual needs and interests of each service user.

In 2023, Glades Lodge remained committed to creating an inclusive and supportive environment for the service users. Through thoughtful planning, dedication, and a genuine passion for care, the service users were able to experience a year filled with laughter, joy, and personal growth.

Hoping that 2024 will be abundant of joyous moments and happy memories to cherish.
