### **WE ARE PALM AND WE STAY GREAT ALWAYS.**

Welcome to **Palm lodge** where comfort, and person-centered care is guaranteed. We are more than a residence; we are a vibrant community where residents enjoy dedicated support, companionship and a nurturing environment.

**It has been six months since our SUs have started cultivating their friendship. Their reunion and the sense of companionship that they share has been inspiring to witness.**

**It fills us with joy to be a part of this warm family and we hope to continue to encourage this kind of bond.**
